

Conference and Business Package At Ashlar House

A black and white photograph showing a man in a suit standing at a podium on the right, gesturing with his right hand while speaking into a microphone. In the foreground, the silhouettes of an audience are visible, looking towards the speaker. The background is a plain, light-colored wall.

We have a number of different-sized meeting and conference rooms, ranging from the elegant Bridges Library to the light and airy Blue Room, the ceremonial Temple Room and, of course, our main function room, which divides into three self-contained spaces. Therefore, we can offer complete flexibility for events of all kinds, including facilities for break-out or seminar sessions, receptions and banquets.

We can provide LCD projectors, screens, microphones and a full audio/visual technician service if required as well as free wireless internet access for your delegates. We have free parking for up to 150 cars and are conveniently situated for both the A14 and the local railway station.

Bury St Edmunds given its central position is the ideal venue to hold a conference or meeting in East Anglia.

Please see the next page to view the Day Delegate Package.
